A STANDARD HISTORY BY GEN. LEE.
A Work of National and Permanent Value.
MEMOIRS OF THE WAR,
By Gen. Henry Lee.
("LIGHT HORSE HARRY")
Thoroughly Revised and Annotated,
BY GEN. ROBERT E. LEE.
WHO HAS ADDED A FULL BIOGRAPHY OF HIS FATHER.

1 vol. octavo, 640 pages, with new Steel Portraits of Gen Henry Lee, Gen. Robert E. Lee, and Gen. Nathaniel Greene; beautiful Steel Engravings of "Marion Crossing the Pedee," and the "Surrender of Cornwallis;" Maps of the Siege of Charleston, S. C; the Siege of Yorktown, Va; the Battle fought near Camden; the Battle of Guilford; the Battle of Hobkirk's Hill; and a sketch of Gen. Henry Lee's residence.
This admirable history of the operations of the American Armies during the Revolutionary War in the Southern Department of the United States, is the standard work on the subject of which it treats; and this new edition, revised, corrected, and enlarged by Gen. Robert E. Lee, the distinguished son of the author, and embellished by elegant Engravings, and original Maps never before published, is a volume of the highest value to every intelligent person.
This history has been for a long time out of print, and because of its accuracy as a history of that interesting period and that there was no work to supply its place, it was much sought for and a new edition demanded.
It is seldom that a historical work by a distinguished author has the advantage of a revision by so distinguished a son, and both of them great military leaders in the same section of the country.
Gen. Lee receives a LARGE COPYRIGHT UPON EVERY COPY OF THE BOOK SOLD. Sold only by subscription.
PRICE:—Handsomely bound in Cloth, $4.00. " " Half Calf 6.00.

JOSIAH TURNER, Jr., EDITOR.

MONDAY, DECEMBER 13, 1869.

MEETING IN FRANKLIN.

We have had on hand for several days, the proceedings of a public meeting, held in the county of Franklin. We deem the proceedings of that meeting of more importance than all the proceedings of the Legislature, and we have made the proceedings of that body give way for the meeting of the people of Franklin.

This effort to perpetuate the Legislature for four years and four months, and the Governor's term for six years and four months, and the terms of the Judges for ten years instead of eight may be traced mainly to the two sneaks, Pool and Tourgee. Governor Holden, Judge Settle, Victor Barringer and the carpet bag family, may be put down as favoring it. It is an attempt by deceit, stratagem and fraud, to rob the people at once of their liberty and their property. The last word Littlefield said to a member of the Legislature was "the party were ruined if they did not hold for four years". This he said as he was flying from the city. Lufin is reported to have said, that the "Convention did not, in framing the constitution, contemplate such a thing, as for himself he never thought of it, or heard of it until after the Convention adjourned, and now that his attention was called to the subject, as a Republican he could see that he had a right to hold over, but if he were a Democrat, he could not see it that way."

When Governor Holden and Judge Rodman advocated secession, we told them, and we told the people, the result would be war, the people would not harken to us, they would not believe. Holden signed the ordinance, we seceded, the war came, Rodman turned out as quarter master, then as a Military Judge, to try, condemn and shoot those who, tired of the fight, resolved to quit. Holden turned out and drifted one evening in the Capital Square, then went into winter quarters for the war.

Who ever reads the Franklin county resolutions, will see that an effort on the part of the Legislature, to hold over, give more indications of blood and war, than did Holden's and Rodman's cry for secession.

Let the people of every county and township in the State, hold public meetings and denounce this pedidious and fraudulent attempt to rob them of their dearest rights and privileges.

HOW IT STANDS.

Leaving out of sight everything of fraud, corruption, mismanagement, on the part of the present State officials, here are a few facts that nobody can gainsay, and startling in their character to every honest citizen of the State who desires to see our public works progressing, our debts paid, and the name of the Old North State preserved in all its purity and integrity of former days.

We just state the following facts without attempting to show the connection or bearing they have, one upon another, or to account as to how they came to exist; we we will leave these things for the reader, and merely state the naked facts.

1. Our State debt is now about thirty-five millions of dollars.

2. The tax laid this year to pay the interest on bonds, does not quite pay the interest on half of them.

3. The consequence is that instead of reducing the State debt, it must be increased about one million of dollars this year, by funding the coupons due.

4. The failure to pay the interest on the old bonds, has depreciated them to 41 cents in the dollar, which, however, falls on private holders of these bonds, as they long since passed out of the hands of the State. The repudiation of them, therefore, by the Radical party, is a double crime, it inflicts injustice on the bond holder, and stabs the credit of the State at the same time.

5. The present tax bill raises off the people, outside of the special tax levied, $600,000.

6. All of this sum of six hundred thousand dollars, is absorbed by the current expenses of the State Government.

7. A great deal of this money goes to pay the salaries of a large number of new officers, never known to the State before the Radical party came into power.

8. After all the ordinary expenses of all the departments of the State Government, together with the extraordinary expenses, are enumerated, for the year ending Sept. 30th 1869, the Treasurer reports *seventy six thousand dollars* of the people's money spent, under the convenient head of "contingencies."

9. Three men, Dr. Sloan, A. J. Jones and Milton S. Littlefield, have in their possession, without security or check of any kind, twelve millions of dollars in State bonds; bonds belonging to the people, while no prudent business man would put twelve hundred dollars of his own private funds in their hands without security.

10. Unless the people see that the money for which their State bonds are sold is appropriated and used, by those having the management of it, in building the roads for which the bonds were authorized, *they will never pay them.*

11. There is strong suspicion that the money realized on sale or hypothecation of some, at least, of these bonds, heretofore, has not been thus used.

12. Radical members of the Legislature daily strengthen and confirm these suspicions by throwing obstructions in the way of investigating the facts in regard to this matter, prominent among whom are men suspected of being personally interested in preventing the investigation.

13. Our new, special tax, bonds are quoted in New York, at 28½ cents, currency, being a gold value of about twenty-one cents on the dollar.

14. The failure to meet the obligations of the State in the payment of the interest on our bonds, so often promised by the Governor, the Treasurer and the Legislature, together with the suspicious management of our financial affairs, have brought the bonds and the credit of the State to the pitiful and deplorable condition they are in.

Let the members of the General Assembly ponder these things. They know they are true. We have heard numbers of Republican members say they believe there is fraud and corruption, among many officials, in the management of the State bonds; yet they hesitate to lend a helping hand to ferret them out. In some instances they suffer theselves whipped in by the caucus lash to assist in obstructing investigation, against the expressed convictions of their own minds. We have heard them confess it.

Some, however, have refused to be driven further, and have been "read out;" others there are, who cannot stand it much longer.

The time will come when all these things will be made manifest; if fraud exists, it will develope its existence; if the present deplorable state of affairs results from want of statesmanship in our Legislators, the people will take the matter in hand and reform it. They certainly will not submit much longer to their present burdens.

SENATOR ABBOTT, of North Carolina, is engaged to play "Bob Acres" at a theatre in Raleigh.—*Exchange.*

Quite a mistake. He appeared in the character of "Bob Acres" in *Wilmington* last summer, and was so successful as to win the kisses of the audience long before the introduction of the final scene, and has now gone to Washington to engage in another series of rehearsals with Senator Sprague.

UNITED STATES CIRCUIT COURT.

SATURDAY, Dec. 11.

The Court met pursuant to adjournment.

J. H. Abell, admitted as an attorney of this Court and qualified.

The case set for hearing this morning was called viz: James W. Cope, vs Ashley Whittley, action of debt. Phillips and Battle and Parker, for plaintiff, Dortch and Moore for defendant.

The note upon which the suit was brought was given in October or November 1863, for land sold by the plaintiff to the defendant for $2,000 payable January 1st, 1864. The testimony was conflicting as to whether the money was to be paid in Confederate currency. Defendant claimed that it was to be paid in money current at the time it fell due. Plaintiff testified to the contrary. Note was given to a Mr. Caraway, since dead. Plaintiff said he gave no instructions to Caraway to receive the money, but left the note with him for safe keeping while he went to Texas. The defendant paid off the note to Caraway in Febuary 1864. The plaintiff testified that he never received the money, nor knew that it had been paid to Caraway until the latter part of 1865. The whole of the day was occupied in hearing this case—no recess being had during the whole day. At 6, P. M. the case was submitted under charges from his Honor to the Jury.

The jury returned a verdict in favor of the plaintiff, scaling the principal of the note at the rate of $2,50 for $1, and charging interest from date of the note to the present term which is $760 with interest from Nov. 1st 1863 to the day of payment.

RESOLUTIONS.

The following are the resolutions introduced by Mr. Robeson, of Macon, looking to an investigation of alleged interpolations of the act of 1868-69 concerning text books:

WHEREAS, At the session of the General Assembly of North Carolina of 1868 and 69, an act was passed in pursuance of the provisions of the State Constitution, to provide for a system of public instruction, and

WHEREAS, The said act, as it appears in the printed laws of said session of 1868, and 69, contains provisions not enacted by said General Assembly, whereby important powers are conferred upon the Board of Education in contradiction of the expressed will of the General Assembly, in enacting said law, and

WHEREAS, In pursuance of these unauthorized powers the Board of Education have proceeded to enter into engagements, and to make contracts involving a large expenditure of the public moneys, against the expressed intentions of the General Assembly and to the detriment of the public good, Therefore

Be it Resolved, That a special Joint Committee of —— on the part of the House of Representatives and —— on the part of the Senate be appointed to investigate the interpolations of said act of 1868 and 69; and to report such legislation as may be necessary to secure the intention of the General Assembly in this behalf.

For the Sentinel.

REPUDIATION.

To the Editor of the Sentinel:—Governor Holden, has just telegraphed to New York, that your State Senate has passed what the *Herald* styles a Bunsbyan resolution, maintaining the State credit, and that the repudiators will be overwhelmed, &c.

Now the Governor ought to know what all honest men plainly see;—that the promoters and partizans of the "special tax" bonds are the actual, and the only actual repudiators. For, they have withdrawn and seek to withdraw the taxpaying ability of the people away from its proper object of maintaining the credit of the State at the point where its honor and good faith are first concerned. The neglect to provide interest for the old bonds, while a parade was made of payment of interest on a favored class of the new, amounted to a virtual repudiation of the prior obligations of the State. Such a fiscal policy is suicidal, and until it is fairly and squarely revised the honor and prosperity of the Old North State must remain under a cloud.

A MAGNIFICENT

NORTH CAROLINA PLANTATION FOR SALE

THE PLANTATION KNOWN AS "OAKLAND," (formerly the property of Dr. Samuel Kerr.) situated in Rowan County, N. C., on the Lincolnton Road, 11 miles from Salisbury, and about 6 miles from China Grove Station on the North Carolina Railroad.

This Plantation is one of the most desirable in the State, and in its improvements unsurpassed. It contains 1887 Acres, one-half cleared; a large quantity of Meadow and Bottom Land, over 200 Acres under cover of a Mill Pond for fifty years. The residue is heavily timbered with splendid Oak and Hickory.

The Family Mansion contains Eleven Rooms; the Out-Buildings consists of Kitchen, Dairy, Ice-House, Smoke-House, Laborers' Houses, Barns, Stables and a Granary capable of accommodating from 15 000 to 20,000 bushels of Grain. In addition, about 150 yards from the house, is the Mill—Grist and Flour—with three runs of Stone; and in its near vicinity, Miller's house, Gin house, Blacksmith shop, and Cotton Screw.

It is believed a Land might be dug from the Creek, supplying the pond, to run the Mill, and the Land beneath, of extraordinary fertility, given to the cultivation of large quantities of Grain or even Rice. The Mill Building, resting on a story of rock foundation, has two stories and a half of brick above, with a wall on the first story two feet thick and could be converted into a factory. The Residence is well situated, and commands a fine water view.

Fully two-thirds, if not more, of the population of Rowan county is White.

Parties desiring to see the property can apply at Raleigh, N. C., to Mr. J. H. Ennis, at the North Carolina Bookstore; at Salisbury to Brown, Mock & Co., H. H. Helper, Esq., or Col. R. J. Long, Express Office; at Charlotte, to Wm. Phifer, Esq., Dr. E. Nye Hutchinson.

THE SENTINEL.

CITY AND STATE ITEMS.

MONDAY, DECEMBER 13, 1869.

☞ Thos. S. Ramsay, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

CATHOLIC FAIR.—Don't fail to attend the Fair at Tucker Hall this evening. Everything to please the taste and gratify the sight will abound.

If you cannot go to-night, be sure you don't allow the week to slip by without visiting the Fair, if you do, you will have lost the opportunity of witnessing the most beautiful display of the kind ever known in this community.

Among the prizes which will be drawn for is one year's subscription to the Raleigh SENTINEL, *Standard* and Wilmington *Journal*.

THE SHERIFFS of the State will MEET TO DAY, at Temperance Hall, at ONE O'CLOCK, P. M. sharp.

We would call special attention to the advertisement of Carey Male and Female Schools, Z. H. Merritt, Esq., Principal.

Wm. F. Atkinson, Goldsborough, offers a desirable residence for sale.

A. D. ROYSTER & BRO.—These gentlemen, as will be seen by their advertisement, which appeared on Saturday morning, have made arrangements with Santa Claus, to establish his head quarters with them during the approaching holidays.

Magnificent North Carolina plantation for sale, in Rowan county. We are told this is one of the most beautiful and desirable places in the State.

James E. O'Hara, a native, we believe, of the West Indies, lectures in the Commons Hall, Wednesday evening. See advertisement.

SADDLE AND HARNESS.—If any body desires to find good saddles, bridles, and harness, single or double, the desire can be gratified by a call at the establishment of Wm. B. Hutchings & Co., at S. H. Young's old stand, on Fayetteville street. Their assortment is good and large, and prices to suit the times.

WHAT DID HE MEAN?—Judge Pearson, at the last term of the Supreme Court, finding himself all alone in the opinion he held in regard to the homestead law, delivered his written opinion, dissenting from the other Judges, in which he says that they so decided from "*the unconscious bias of pressing circumstances.*"

What the Chief Justice meant we cannot exactly tell. The people would like to know.

"The unconscious bias of pressing circumstances!" If our friends B. F. Moore, Bragg and others had put that in their protest, jailing would have been their doom certain. Did you *ever*? What is the country coming to? We asked a nigger what it meant and he said, "De chief Judge meant to say dat de odder Judges had lost what little sense dey had, dat was all."

Brown's Bronchial Troches.—From the Medical Director of the General Hospital, Benton Barracks, near St. Louis, March 8, 1862.

"Messrs. John I. Brown & Son, Boston, Mass.—Use of your far-famed and most serviceable "*Troches*" is being made in the hospital of which I have charge, and with very beneficial and decided results in allaying bronchial irritation." For Coughs and Colds *the Troches* give prompt relief.

ANOTHER INVITE.—The pleasure of our company is again solicited; this time to a "tournament Ball" at Tarborough, on the 23rd inst., for which we tender to the managers our acknowledgements. We commission Stone, of the *News*, who, of course will be on hand, to say the pretty things for us that we should have to say, could we attend, and to "trip the light fantastic" with the prettiest girl present, in our behalf.

ANOTHER FREEDMEN'S FRACAS.—We learn that a difficulty occurred at Gaston, on Friday last, between three colored men, Shehorn, Bradley and Mills, in which Shehorn was shot in the leg and died from the wound on Saturday. We did not learn the particulars.

SMALL FRUIT RECORDER AND COTTAGE GARDNER.—We are in receipt of this valuable little monthly paper, edited by A. M. Purdy, (successor to Purdy & Johnston) of Palmyra, N. Y. It contains the most practical articles in relation to this subject we ever saw, and should be in the hands of every person who has a garden of even a rod square. The price is only 50 cents a year. Send stamp for a specimen copy and circular containing offer to those getting up clubs. We notice any person getting up a club of six has one copy gratis.

He also sends out a valuable little work called, the small fruit Instructor, which has received the highest testimonials from the most prominent horticulturists and pomologists in the United States. It tells how to plant and grow all kinds of small fruits. Price only 10 cents. Address for either, the above party.

WARRENTON FEMALE COLLEGE.

We may perhaps render ourselves liable to censure in alluding publicly to the private entertainment given at the Female College, on Friday night last, but as it is as a principle, just to speak praise where praise is due, we do so.

Fulsome newspaper notices are so common, that the reader is usually little influenced by them, but in saying that we never attended any exhibition which gave more general pleasure, we only echo the sentiment of all present, and praise of this institution.

The literary productions of the young ladies displayed the most refined and cultivated taste, while the musical selections so faultlessly presented, evinced the masterly ability of the instructor in that department.

The friends of this institution will be pleased to learn that a large number of additional pupils have been engaged for the next term which commences on the 12th of January next.

As Mr. Jones has everything in his favor in point of popularity, location and extensive accommodations, we trust and believe he will materially aid in restoring Warrenton to its former reputation for good schools.—*Warrenton Living Present.*

Public Meeting in Franklin.

On Saturday the 4th day of Dec., the citizens of Franklin County, irrespective of party, race, color or previous condition, assembled in Convention in Louisburg to express their views in reference to the rumored determination of the present Legislature to "hold over."

The Convention was organized by electing Dr. Ellis Malone Chairman and M. S. Davis Secretary.

On motion a Committee of three consisting of Jones Fuller, C. M. Cook and D. S. Hill, was appointed to draft resolutions for the consideration of the Convention.

The Committee retired and after a brief interval, reported the following resolutions, which, after some discussion, were unanimously adopted:

WHEREAS, The 28th Section of the Declaration of Rights, ratified by the people of North Carolina on the 23rd day of April 1868, declares that "For redress of grievances and for amending and strengthening the laws, elections should be often held;" and whereas, the Constitution of the State, ratified by the people thereof on the same day, provides that the Senate shall be composed of fifty Senators, biennially chosen by ballot, and that the House of Representatives shall be composed of one hundred and twenty Representatives, biennially chosen by ballot; and that the election of members of the General Assembly shall be held for the respective Districts and Counties, at the places where they are now held, or may be directed hereafter to be held, as may be prescribed by law, on the first Thursday in August in the year one thousand eight hundred and seventy, and every two years thereafter, but the General Assembly may change the time of holding the elections, and whereas the Constitution further provides that, "The first election shall be held when the vote shall be taken on the ratification of this Constitution by the voters of the State, and the General Assembly then elected shall meet on the fifteenth day after the approval thereof by the Congress of the United States, if it fall not on Sunday, but if it shall so fall, then on the next day thereafter; and the members then elected shall hold their seats until their successors are elected at a regular election;" and, whereas, each member of the Legislature, before taking his seat, is required to take an oath to support the Constitution of the State; and whereas, when the members of the present General Assembly were canvassing for their election, it was not pretended by any one of them before the people, that after his election, he would be entitled to hold for a longer time than to the first Thursday in August, 1870; and it was not supposed by the voters that any one of them, after his election, would have the base impudence and effrontery to claim the right to hold his seat for a period extending beyond that time:

Resolved, Therefore, That we have heard with astonishment and indignation, that certain members of the present General Assembly, in defiance of the plain language of the Declaration of Rights and the Constitution, and in violation of their solemn oaths, and their allegiance to the State of North Carolina, are attempting to usurp power, and are putting forth the pretense unheard of at the time of their election, that the period for which they are entitled to hold their seats does not expire until the first Thursday in August, 1872.

Resolved, That admitting that the section 27, article II, of the Constitution, which provides that the terms of office of Senators and members of the House of Representatives, shall commence at the time of their election; and the term of office of those elected at the first election, held under this Constitution, shall terminate at the same time as if they had been elected at the first ensuing regular election, if taken alone might favor the construction claimed for it by those who desire to usurp power, yet, when taken in connection with the whole Constitution, such a view is wholly inadmissable, and it is an insult to the intelligence of the people of the State to insist upon a construction, which, if true, would be a gross fraud upon her citizens, as no such thing was contemplated, either when voting for the Constitution or the members of the General Assembly.

Resolved, That in the opinion of this meeting, any attempt on the part of the present Legislature to exercise legislative powers, after the first Thursday in August, 1870, will be revolutionary, and their pretended acts without the force of law, and all those participating in such pretended legislation, will be guilty of perjury and treason, and we call upon all the honest people of the State, without regard to race, color or party, who desire the perpetuation of constitutional liberty in the State of North Carolina, to hold meetings and express their condemnation of those who are seeking, in a covert way, to deprive them of their liberties.

Resolved, That, by the language of section 29, article II, of the Constitution of this State, the election for members of the General Assembly shall be held on the first Thursday in August, 1870; and if the people of North Carolina have not lost all that love for constitutional liberty, which has characterized them in the past, they *will* hold elections on that day, as they have a right to do by the Constitution; and those who attempt, either by force or by fraud to prevent them from exercising this right, will be thwarted in their purpose, and driven into ignominious disgrace, by the just indignation of a people whose spirits and feelings are aroused by a knowledge of the wrong that is attempted to be forced upon them.

Resolved, That we have observed with gratification and pleasure, the manly conduct of some of the members of the General Assembly representing both of the political parties, who have by their declarations and by their votes, expressed themselves as opposed to this high-handed usurpation of power.

Resolved, That we favor universal suffrage and universal amnesty, and that we request our Representatives in Congress to vote for a removal of all political disabilities, and that the Representative in Congress from this District of which Franklin County is a part, will labor especially for the removal of the disabilities of Gen. Phil. B. Hawkins, in as much as we are only partially represented in the Legislature of the State, in consequence of his (Hawkins.) disabilities.

Resolved, That we are opposed to the repudiation of any debt of North Carolina, honestly contracted, or of any of her bonds honestly issued, but we regard the bonds issued under divers acts of the present Legislature and put upon the market at a price so low that it is, in itself, notice to purchasers of their dishonor, as not binding upon us as tax payers, and that, having had no hand in the gambling operations by which they were put forth, we will, willingly, have no hand in their payment, but we ask our Representatives to take such steps, by Legislation, as will redeem the credit of the State by calling in these bonds and refunding to the gambling purchasers the money which they paid for them and no more.

Resolved, In the opinion of this meeting, that the framers of the constitution, by placing as they have a limit to the power of the Legislature in taxing the people that they should not tax them above $2 per poll and $2 on $300 worth of property, acted wisely.

Resolved, That the Legislature having assessed upon the people a larger tax than they were allowed by the constitution to do, have robbed the people to the extent of the excess.

Resolved, That in view of the enormous burdens imposed upon the tax paying citizens of the county of Franklin, in the administration of its Finances—whereby the taxes to meet the county expenses have more than quadrupled; therefore

Resolved, That the meeting appoint a Committee of five to enquire into the administration of the county finances, with a view to such measures as may be deemed advisable to relieve the burdens of the people and reduce the expense of the county to the lowest economical limit—the Committee consists of the following gentleman, viz:

Messrs. Jones Fuller, Major D. S. Hill, M. S. Davis, Jno. H. Thomas and W. H. Furgerson.

Resolved, That a copy of these resolutions be sent to the members of the Legislature from this county, to the Representative in Congress from this District, and to the Raleigh SENTINEL and *Standard* with a request that they publish.

Standard will please publish.

ELLIS MALONE, Chm'n.

M. L. DAVIS, Sec'y.

FINE APPLES.—We are indebted to David Proffitt, Esq., member of the House from Yancey, county, for samples of apples grown on his mountain farm, which are superior to anything in the pomological line we have ever seen grown in this part of the State. One of the Belle Fleur, or as called in the mountains, the Golden Pippin, weighed sixteen ounces, and one of the Buff weighed fifteen ounces. The Watery Queen is smaller, but a very firm, symmetrical and nice flavored apple.

Mr. Proffitt informs us that there are large quantities of these apples in his section, that would be sent to market but for the expense of carriage, on account of which they cannot come in competition with inferior apples from the North.

And yet we see our railroad lines languishing; contractors on them are not paid; our bonds, intended to build them, floating about like worthless leaves and under the management and absolute control of men who give no security for their honest appropriation; and while there is great reason to believe they have been mismanaged and fraudulently used, the dominant party in the Legislature move at a snail's pace in investigating the matter, and even quibble and manœuver to prevent investigation.

It is a pity and a shame thus to trifle with the Western people, who are heavily taxed, and who would willingly pay the tax, for improved means of transportation, and yet nothing, or next to nothing, is being done for their benefit.

MISS ALEXANDRIA.—We see from our Southern exchanges that Miss Laura Alexander is meeting with gratifying success in her Southern tour.

Keep the Circulation Active.

A free and regular circulation of the blood is essential to health. It places the whole system in a state of active defence against all unwholesome influences, and is an especial safeguard against the inimical effect of sudden changes of temperature, and of damp and cold.

If proper attention were paid to this important fact, there would not only be a great decrease in the number of cases of stomach, bowel and renal complaints, but also in the number of deaths by consumption and other pulmonary diseases.

At this period of the year, when the dividing line which separates a genial from an inclement season has just been passed, a course of HOSTETTER'S STOMACH BITTERS will be found of invaluable service in improving the condition of the vital fluid and gently stimulating its flow. Violent coughs and colds like intermittent fever, are the frequent effects of a chilly atmosphere upon a debilitated organization. Diseases of the kidneys often proceed from the same source. How essential it is, therefore, for persons of feeble constitution, to invigorate the vital organization at the commencement of Winter. Fortified by warm clothing without, and HOSTETTER'S BITTERS within, the frail and delicate may brave with impunity an amount of exposure and hardship which under other circumstances, would prostrate them on a bed of sickness. Let them consider this and be wise in time.

Saturday Evening Dispatches.

WASHINGTON.

WASHINGTON, Dec. 11.—The Reconstruction Committee had a letter read from ex-Governor Wells of Virginia, urging the immediate admission and opposing the exaction of the test-oath from members of the Virginia Legislature. It is the opinion that a bill will be reported from the Committee on Tuesday, for the restoration of the State, and that State Senators and Representatives, except Booker and McKinstry, whose seats are contested will be admitted to seats. The bill will require pledges from officials that there shall be no further disfranchisement on account of race or color. The statements of Govs. Walker and Wells were ordered to be printed.

A Sub-Committee was appointed to prepare statements of alleged election frauds, but not to print it.

HOUSE.—The motion to table Ingersoll's bill for 44,000,000, additional currency, was defeated, but it was referred to the Committee on Banking and Currency instead of the Committee on Ways and Means which is regarded as equivalent to its ultimate defeat as the Banking and Currency Committee is understood to be hostile to its provisions.

FOREIGN.

PARIS, Dec. 11.—The official Yellow Book is published.

The relations of France with other powers is peaceful and their relations with each other is peaceful.

The movement in the Corps Legislatiff to impeach the Minister of the Interior created a violence never before witnessed. The sitting adjourned amid great excitement.

ROME, Dec. 11.—The Pope delivered an allocution before the assembled Bishops to-day. NAPLES, Dec. 11.—The anti-papal Council assembled to-day; there are 200 Italian and 20 other delegates present. Ricardi is President. Letters were read from Victor Hugo, Garabaldi and others. Much enthusiasm prevails.

WASHINGTON.

WASHINGTON, Dec 11.—Revenue to-day $362,000.

The Senate Judiciary Committe had another meeting yesterday on Georgia; and a bill agreed upon for carrying out the suggestions of the President's message. DR. LAWRENCE'S

Highly Concentrated Compound

FLUID EXTRACT OF

Koskoo!

THE GREAT HEALTH RESTORER!

NOT A SECRET QUACK MEDICINE—FORMULA AROUND THE BOTTLE.

Prepared Solely by

J. J. LAWRENCE, M. D.

ORGANIC CHEMIST,

NORFOLK, VIRGINIA.

☞ Beware of Counterfeits. See that Dr. J. J. Lawrence, Chemist, Norfolk, Va., and the word KOSKOO, is BLOWN ON THE GLASS of each bottle. ☜

Koskoo is endorsed by the best physicians everywhere. Read the following from Dr. Tillery, a successful practitioner of many years standing in the Old North State:

Rocky Mount, Edgecombe Co., Sept. 19, 1869.

DR. J. J. LAWRENCE—Dear Sir: I have used your Concentrated Fluid Extract of Koskoo in my practice with the *happiest results.* I find it to be a *powerful Liver Invigorator Blood Purifier and Nervous Tonic.* In all diseases of the Liver, Scrofulous Syphilitic, Nervous Affections, *it is a remedy of immense value*; in fact, in almost every variety of Chronic Disease its use is indicated. Hoping you may meet with the success which you deserve as a manufacturer of *reliable* medicines, I am sir, with much respect your obedient servant,
R. C. TILLERY, M. D.

From Dr. Fentress, an accomplished and experienced physician.

Princess Anne Court House, Va. Sept. 13, 1869.

J. J. LAWRENCE, M. D.—Dear Sir: I have carefully examined the formula, as well as the Therapeutic properties of your Koskoo compound, and *have prescribed it* in some stubborn cases of *Chronic Liver Affections Dyspepsia, General Debility, &c., and always with the most gratifying results.* I find it to be a splendid *Tonic Alterative, and Hepatic* combination, accomplishing its constitutional effects *without the slightest debility; in fact it gives fine support to the General system* while its alternative effects are being produced. *I cheerfully recommend its use to the public.*
Yours, truly,
T. F. FENTRESS, M. D.

KOSKOO CURES SCROFULA IN ITS WORST FORMS. From Mr. A. W. Mills, a prominent and well-known merchant of Norfolk, Va.:

No. 11, Main St., Norfolk, Va., Sept. 15, 1869.

DR. LAWRENCE—Dear Sir: Your Koskoo has worked wonders in my family. My daughter has been a sufferer from Scrofula since childhood. She lost thirty-one pieces of bone from her ankle, several from her arm, besides having ulcers in several parts of the body. Whilst in this condition she commenced taking your Koskoo—IT ACTED LIKE A CHARM ON HER—UNDER ITS USE THE ULCERS GRADUALLY HEALED, AND HER GENERAL HEALTH GREATLY IMPROVED. It certainly saved her much suffering, and perhaps her life. I regard Koskoo a SPECIFIC for all scrofulous affections. Your Koskoo also cured my wife of dyspepsia, from which she suffered greatly. SHE IS NOW IN BETTER HEALTH THAN SHE HAS BEEN IN FIVE YEARS.
With the highest regards, I am gratefully yours, &c.,
A. W. MILLS.

KOSKOO, THE GREAT INVIGORATOR.—Read the following from the Rev. Joseph E. Martin, pastor of Wesley Chapel, Portsmouth, Va.:

"This is to certify that myself and wife have used Dr. Lawrence's Koskoo, and can testify to its beneficial effects. Previous to taking it we were in a condition of debilitation—had no appetite, and suffered from sudden and often violent attacks of headache and nervousness. Two bottles of Koskoo has improved our general health, and we regard it as invaluable, and most cheerfully recommend it to all who have need of an invigorator.
Yours, &c.,
JOSEPH E. MARTIN.

KOSKOO!

CURES CHRONIC RHEUMATISM.

Norfolk, Virginia, September 7, 1869.

DR. J. J. LAWRENCE—Dear Sir: My son has received so much benefit from your wonderful Koskoo that I cannot refrain from expressing my gratitude. I had tried almost everything without benefit. I believe, in all sincerity, that your Koskoo is AN INFALLIBLE REMEDY for the disease from which he has suffered, and, so far as I can learn, has never failed. If you only knew the immense amount of suffering that he has undergone, then you could conceive the value of such a remedy as Koskoo—THAT SURELY CURES. The great amount of good it is now doing among us is inestimable.
With much gratitude, I am respectfully yours, &c.,
MRS. M. E. A. NELSON.

Dr. Lawrence—Dear Sir: Having been treated by several skilful physicians for Dyspepsia, Chronic Disease of Kidneys, General Debility, &c., without benefit, as a last resort I commenced the use of your Koskoo, and am pleased to say that under its use my health has been entirely restored.
I am, sir, with much respect your obedient servant,
O. B MEARS.
No. 5 Market St., Norfolk, Va., July 6, 1869.

Pacific, Franklin Co., N. C., Sept. 11, 1869.

This is to certify that for a long time I suffered very much from inaction of the liver and constipation of the bowels and tried several remedies, but received no benefit until I commenced taking Koskoo. I took the medicine about one month, and I was completely *cured* and have remained well. I know of several *cures* made by Koskoo, and can cordially recommend it as a good medicine.
JOHN H. BAKER.

From Mr. Womble, a prominent hardware merchant of Norfolk:

No 13 MARKET SQUARE,
Norfolk, Va., Oct. 23, 1869.

DR. LAWRENCE.—Dear Sir: To the large number of testimonials which you offer of the great efficacy of your KOSKOO, I take pleasure in adding my own. I suffered greatly with Nervous Debility, Headache, Loss of Appetite, &c. Two bottles of KOSKOO RESTORED ME TO HEALTH.
Yours, truly,
J. G. WOMBLE.

From Rev. W. H. Christian, Pastor Dinwiddie Street Methodist Church:

PORTSMOUTH, Va., October 25, 1869.

This is to certify that I know Dr. Lawrence well. He is a gentleman of cultivation, and worthy the fullest confidence. I have used his "Koskoo" with advantage to myself, and have adopted its use in my family in cases of nervous debility and depression.
W. H. CHRISTIAN.

UNANIMOUSLY

Adopted by the State Board of Louisiana, July 17, 1869.

☞ By reference to the accompanying lists of Text Books used in the Schools of North Caroline in 1855 and those adopted this year, it will be seen that, in nearly every important particular,

From Rev. C. H. WILEY formerly State Supt. of Education.

BRISTOL, TENN., Oct. 14, 1869.

I had seen by the papers what had been done by the Board of Education in North Carolina and was glad. I had ample reasons for my former recommendations in the use of the books in our schools.

These Books are Used by the Best Schools in the State.

Late Testimonials in Brief.

It affords me great pleasure to bestow on them my heartiest commendation. They are vastly superior to any other books of the kind I have yet seen.—W. H. WEATHERLY, Prin. Class. and Math. School, Elizabeth City, Oct. 25, 1869.

Send me ten Davies' Intellectual Arithmetics for introduction. They are superior to any I have seen.—W. F. ENGLISH, Mount Olive, Oct. 20, 1869.

I intend using the same books in my school as those used in the Common Schools. * * I am already using Monteith's Geographies.—JOHN D. JOHNSON, Yadkinville, Sept. 25, 1869.

I am and have ever been an earnest advocate of uniformity in school books. The Board recommendations—Arithmetics and Geographies—are the best that could have been made.—H. E. SMITH Lincolnton, Sept. 28th, 1869.

Because these books are adopted by the State Board, as well as for the merits of the books themselves, we wish to introduce them, and use them exclusively in our school.—Rev. S. C. ALEXANDER, Charlotte, Oct. 11, 1869.

Steele's "Nat. Philosophy" received. Am struck with its superiority to the other in many respects. As a class is waiting, substitute in my order Steele's Philosophy for first introduction—G. W. JEWETT, Wilmington, Oct. 13, 1869.

Davies' Mathematics was adopted by me in 185-, and up to this time I have examined no work superior to them. I have examined McNally's Geography and Peck's Ganot's Natural Philosophy. I consider them most excellent works and shall put them into my boys' hands at the earliest period.—J. E. DUGGER, Prin. Male Academy, Warrenton.

It is my purpose to introduce Monteith's (No. 4) into my school. I give it the preference for the information which it gives on the subject of Physical Geography. The maps and questions in both works (Monteith and McNally) seem to me to be admirable.—Rev. ALDERT SMEDES D.D., Rector of St. Mary's, Raleigh.

The system of Geography—Monteith and McNally—I am well pleased with.—Rev. WM. S. LACY, Raleigh.

Davies' Arithmetics, Monteith's Geographies and the National Readers are too well known to require a word from me. Monteith and Davies are the best that I am acquainted with.—Prof. FRANK VAUGHAN Elizabeth City, Oct. 21, 1869.

I have waited patiently for the adoption by the Board of Education of this State of the books to be used in the public schools, and am much pleased to find that so many have been selected from the National Series.—Rev. W. L. MILLER, Charlotte, Oct. 1, 1869.

Am much pleased with both the Spellers and all the readers; and as to the Series of Geographies, I have long used no others when these could be obtained Dr. WM. B. HARRELL, Prin. High School, Snow Hill.

The introduction of so much valuable matter on the subjects of Physical Geography and Geology, and in a form so simple and intelligible makes it, (Monteith's Intermediate Geography) in my judgment, a charming school book.—Col. WM. BINGHAM, Prin. Bingham School.

I design introducing McNally's Geography and Davies' University Arithmetic.—Dr. CLOSS, Prin. Durham Academy.

Will introduce the University Arithmetic next term. An admirable work.—M. L. LITTLE, Prin. Pleasant Hill Seminary, Newton.

Monteith's Geographies are excellent works, and I shall introduce them into my school.—STINSON IVEY, Prin. Auburn Academy.

The superior and durable style of binding of your works is a very great recommendation—one with which I have long been favorably impressed.—Prof. WM. A. OBERCHAIN, late Hillsboro' Military Academy.

I have introduced your National Series of Readers. We find them to be excellent, just suited to our purpose. With Davies' Mathematical series we have been long familiar, and can find no good reason for changing them. In the Primary Department we have Monteith's Geographies.—Rev. G. D. BERNHEIM, Prin. Female Seminary, Mount Pleasant.

The National Series of Readers and Spellers are the best with which I am acquainted. I shall henceforth use no others in my school. I use Davies. I consider his works incomparably superior in many respects. Monteith's Series afford a gradual but thorough and systematic progression.—Prof. Jos. H. FOY, President Stantonsburg Scientific High School.

I regard Monteith's Physical and Intermediate Geography as one of the best books of its kind. It has several points of superiority over most primary Geographies; Geography is here treated from the only true and rational standpoint, viz: of Geology and Physical Geography.—Prof. W. C. KERR, State Geologist of North Carolina.

Mr. Taylor Johnson Olive's Chapel, has introduced the National Readers, Monteith's Geographies, Davies Arithmetics, Clark's Grammars, etc.; Mr. John Franks, Grove P. O., has introduced the National Series throughout; Mr. W. A. Branch, New Hill P. O., uses the National Series throughout; Mr. Adolphus Rogers, Green Level P. O., uses the National Reader, Copy-Books, Monteith's Geographies, and York's Grammar; Mrs. Emma Bangham, Cary P. O., uses the National series; Mr. H. C. Olive, New Hill P. O., introduced Monteith's Geographies. There are now at least 250 pupils in Wake and Chatham counties who are daily using the National series of books, within my knowledge.—Prof. W. H. MERRITT, Chatham county, Sept. 14, 1869.

I am glad to learn that some of your books are to be introduced into our State Schools.—Prof. J. M. M. CALDWELL, Greensboro' High School, Oct. 23, 1869.

Distinguished Editors and Critics Praise Them.

The Series must prove acceptable. The structure of language is beautifully exhibited.—Fayetteville *Presbyterian.*

This firm will allow no competition in the price of books published by them which are among the best in the state.—Statesville *American*, 1866.

Have a reputation for merit unsurpassed.—Statesville *American*, 1869.

Peculiarly adapted to supply the wants we have long felt.—Greensboro' *Patriot.*

Have acknowledged superiority by the most competent judges.—Western *Sentinel.*

Davies is excellent in the first degree.—Wadesboro *Argus.*

Are excelled by none of the many used, and they are superior to most of them.—Newbern *Journal of Commerce.*

When we examine the bright pages of the National Series, and think how we groped along the dry and uninteresting "task" of our boyhood, we are constrained to be envious of the happy pupils of the present.—Wilmington *Post.*

The National Series has attained probably a higher reputation than any other complete series of school Books now in existence.—Wilmington *Herald*

The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

KNICKERBOCKER,	$16.54
EQUITABLE,	17.44
NORTH AMERICA,	21.16
BROOKLYN,	21.09
UNIVERSAL,	27.24
JOHN HANCOCK,	18.37
THE NATIONAL,	63.46
THE ÆTNA,	13.41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It issued more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times,* of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 589 policies, received an income of seventy-eight thousand dollars, and possessed nett assets summing up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 13,337 new policies, more than any other Company except the Mutual Life; received an income exceeding six million dollars and had amassed solid, securely and profitably invested nett assets amounting to over Ten Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
